business and product

## COMPANY PROFILE

VS Chem (1970) Ltd. is a leading chemical distributor providing business-to-business solutions for users of industrial and specialty chemicals in Thailand and South-East Asia. Having more than 50 years of experiences, we have sourced raw materials from chemical suppliers around the world and marketed them to manufacturers serving key industrial and consumer marketplaces, including agriculture, surface technology, home & personal care, cosmetic, electronic, food processing, oil refinery, pharmaceutical, pulp & paper, rubber glove, paint & coating, printing ink. We are a full-service chemical distributor partner helping our customers meet manufacturing and distribution requirements at all levels of the supply chain.

In 2016, we expanded our business by establishing private label personal care and cosmetics and household/home care Manufacturer (OEM/ODM) that meet GMP and ISO 22716 standard.

We are here to support and assisting our clients to tailor-made fulfill your dreams for developing private label product, containers, label and packaging design
